ABOUT SUMMER FIELDS

Summer Fields was founded in 1864 by Archibald and Gertrude Maclaren at their home in North Oxford. Mrs Maclaren was a gifted classical scholar and Mr Maclaren was a fencing master with a passionate belief in the importance of physical fitness. It is from these roots that our school motto was born: *Mens sana in corpore sano*, A healthy mind in a healthy body. The Maclarens established the importance of a breadth of education inside and outside the classroom, values which remain central to the education we offer today.

Summer Fields is a full-boarding and day school for approximately 300 boys aged 4 to 13. We offer excellent teaching, traditional values and exceptional pastoral care. We continue to build on a strong academic legacy with an individual focus on strengthening each boy's confidence and abilities.

Summer Fields is a special place and pastoral care is very strong. The School is a vibrant, extended family of staff and boys, living side-by-side in a busy, caring and friendly boarding community. We aim to ensure that each boy is happy, academically challenged and is taking full advantage of life at Summer Fields, with its many possibilities and opportunities. Our most recent ISI inspection, in June 2025, was glowing in all respects and is easily available online.

The School is thriving at all levels and in 2018 we entered an exciting new phase in our history with the opening of a brand-new Summer Fields Pre-prep school, catering for boys from Reception to Year 3. The School is housed in a stand-alone building, Newton, one of the oldest and most historic buildings on the School's 70-acre site. The building underwent a complete re-development, including the addition of a striking, modernist new extension; it now provides purpose-built facilities for up to 80 boys aged 4 to 8.

Summer Fields celebrated its 160th birthday in 2024 and recent years have seen the redevelopment of various areas of the School. The Salata Pavilion provides sports changing and other facilities, and what was New Room now provides a state-of-the-art new school library, including an archive room, a periodicals room and associated teaching rooms in what is the oldest and largest teaching space in the School. The £2.5m project, completed during lockdown, included a major refurbishment of the school Chapel, as well as the DT and Learning Support areas.

ACADEMIC RECORD

Academic standards and outcomes are high. The principal entry point to the prep school is in Year 4, although a few boys join in Years 5, 6 and 7 depending on places being available. Some 20 boys will join

the prep school from the Pre-prep each year, in addition to those joining directly, both boarders and day boys, in Year 4. Admission is by selection. The aspirations of boys and parents are high and the School prides itself on the outstanding exam results achieved by our leavers. The School's greatest academic strength is excellent teaching at all levels and we are proud of the academic achievements of boys of all abilities. Each year boys pass Common Entrance and regularly win scholarships to the top public schools in the country.

BOARDING

The boarding structure is horizontal, according to age, in six Lodges (boarding houses), where the boys are usually looked after by two Lodge Parents. Every boy has a personal tutor, responsible for overseeing all aspects of his life at school and with whom he meets regularly, one-to-one. In addition, a boy can seek help from Lodge Parents, Form Masters and Mistresses, the Head Sister and, of course, the Headmaster.

The School is set within 70 acres of grounds and is extremely well resourced with many outstanding and modern facilities, which are continually enhanced. In addition to the academic curriculum, sport plays an important part in the life of the School, as does music, art, design and technology and drama; recent results in music scholarship exams, in particular, have been outstanding. All these activities, and many others, are extremely well provided for. The Chapel is at the heart of the School, both literally and figuratively.

WORKING AT SUMMER FIELDS

Summer Fields recognises that staff are one of the School's most valuable assets. We therefore seek to recruit and retain well-qualified academic and non-academic staff who demonstrate enthusiasm for their area of expertise. There are currently around 155 full-time and part-time staff with most teaching staff and their families living on site. Working at Summer Fields is rewarding and all staff are encouraged to get fully involved with the life of the School. We are surrounded by beautiful grounds and we enjoy superb facilities.

- Applications will only be accepted from candidates completing the relevant Application Form in full. CVs will not be accepted in substitution for completed Application Forms but are permitted to be submitted alongside a completed Application Form.
- Candidates should be aware that all posts in the School involve some degree of responsibility for safeguarding children, although the extent of that responsibility will vary according to the nature of the post. Please see the job description for the post. If you are invited to attend a formal interview your suitability to work with children will be assessed.
- As the job for which you are applying involves substantial opportunity for access to children, it is important that you provide us with legally accurate answers.
- The successful applicant will be required to complete a Disclosure Form from the Disclosure and Barring Service ("DBS") for the post and, where appropriate, a check of the Barred List maintained by the DBS will be made. Any offers of appointment will be made conditional on obtaining such satisfactory checks. Additionally, successful applicants should be aware that they are required to notify the School immediately if there are any reasons why they should not be working with children.

- If you are currently working with children, on either a paid or voluntary basis, your current employer will be asked about disciplinary offences, including disciplinary offences relating to children or young persons (whether the disciplinary sanction is current or time expired), and whether you have been the subject of any child protection allegations or concerns and if so the outcome of any enquiry or
