Summer Fields is committed to safeguarding and promoting the welfare of children and we expect all staff to share this commitment. Applicants must be willing to undergo child protection screening, including checks with past employers and the Disclosure and Barring Service.

The school is fully committed to the principles of equal opportunity, diversity, and inclusion. MESSAGE FROM THE HEADMASTER, DAVID FABER MA

Thank you for your interest in Summer Fields and, in particular, in the role of Learning Support Teacher. I am delighted that you are considering our school and I hope that you will wish to apply for this position once you have found out more about us.

Summer Fields was founded in 1864 by Archibald and Gertrude Maclaren at their home in north Oxford. Mrs Maclaren was a gifted classical scholar and Mr Maclaren was a fencing master and owner of an Oxford gymnasium, with a passionate belief in the importance of physical fitness. It is from these roots that our school motto was born: *Mens sana in corpore sano*, A healthy mind in a healthy body. The Maclarens established the importance of a breadth of education inside and outside the classroom, values which remain central to the education we offer today.

Summer Fields is a full-boarding and day school for boys aged 4 to 13. There are currently approximately 340 boys on the roll and the school is generally over-subscribed; indeed, numbers are set to rise over the next two years. We offer excellent teaching, traditional values and exceptional pastoral care. We continue to build on a strong academic legacy with an individual focus on strengthening each boy's confidence and abilities.

Summer Fields is a special place and pastoral care is very strong. The school is a vibrant, extended family of staff and boys, living side-by-side in a busy, caring and friendly boarding community. We aim to ensure that each boy is happy, academically challenged and is taking full advantage of life at Summer Fields, with its many possibilities and opportunities.

Summer Fields celebrated its 150th birthday in 2014 and, as well as hosting many events to celebrate this anniversary, a major redevelopment of parts of the school was completed. In particular, a spectacular new £3m building, the Salata Pavilion, providing new sport changing and other facilities, was opened in January 2016. A further redevelopment provides a state-of-the-art new school library, including an archive room, a periodicals room and associated teaching rooms in what is the oldest and largest teaching space in the school. The £2.5m project includes a major refurbishment of the school Chapel, as well as the DT and Learning Support departments.

The school is thriving at all levels and we have recently entered an exciting new phase in our history. In September 2018 we opened a brand-new Summer Fields Pre-prep school, catering

for boys from Reception to Year 3. The school is housed in a stand-alone building: Newton, one of the oldest and most historic buildings on the school's 70-acre site. The building has undergone a complete re-development, including the addition of a striking, modernist new extension; it now provides purpose-built facilities for up to 80 boys aged 4 to 8.

I recognise that a great deal of thought and time goes into preparing such an application and I assure you that I will, in turn, give your application serious consideration.

ACADEMIC RECORD

Academic standards and outcomes are high. The principal entry point to the prep school is currently in Year 4, although a few boys join in Years 5 and 6 depending on places being available; these places continue to be available following the establishment of the Pre-prep. Some 25 boys will join the prep school from the Pre-prep each year, in addition to those joining directly (both boarders and day boys) in Year 4. Admission is by selection. The aspirations of boys and parents are high and the school prides itself on the outstanding exam results achieved by our leavers. The school's greatest academic strength is excellent teaching at all levels and we are proud of the academic achievements of boys of all abilities. Each year boys pass Common Entrance and regularly win scholarships to the top public schools in the country.

BOARDING

The boarding structure is horizontal, according to age, in six lodges (boarding houses), where the boys are usually looked after by a husband-and-wife team. Every boy has a personal tutor, responsible for overseeing all aspects of his life at school and with whom he meets regularly, one-to one. In addition, a boy can seek help from lodge parents, form takers, the Head Sister, and, of course, the Headmaster.

The school is set within 70 acres of grounds and is extremely well resourced with many outstanding and modern facilities, which are continually enhanced. In addition to the academic curriculum, sport plays an important part in the life of the school, as does music, art, design and technology and drama; recent results in music scholarship exams, in particular, have been outstanding. All these activities, and many others, are extremely well provided for. The Chapel is at the heart of the school, both literally and figuratively.

TEACHING AT SUMMER FIELDS

The school recognises that its teachers are its most valuable asset and seeks to recruit and retain the very best qualified and most enthusiastic academic staff, who can communicate their knowledge and passion for a subject to the boys. Our teachers' primary aim is to develop the boys' intellectual curiosity, interest and enjoyment in an atmosphere of mutual respect and discipline. The supportive boarding community is particularly conducive to developing these qualities.

THE LEARNING SUPPORT DEPARTMENT

Summer Fields gives comprehensive but sensitive support for pupils with learning difficulties, and the school is determined that these pupils should have full access to the curriculum. The Learning Support Department is an integral part of the school's academic provision and we regard learning support skills as relevant to the whole school. We are proud of our role in securing places at the school of first choice even for pupils with significant learning difficulties.

We are a team of four Learning Support Teachers. Some of us have had experience as class teachers across the prep school range. All of us are qualified to teach children with Specific Learning Difficulties. We have a visiting Occupational Therapist and a Speech and Language Therapist. Close links are all maintained with other professionals such as educational psychologists.

The Learning Support Department recognises the need for pupils to have a positive and confident attitude to learning in order to ensure success in the classroom. Our first aim for any pupil receiving Learning Support is that he feels valued, supported and able to talk about any difficulties experienced in the classroom. The department is placed in the heart of the school, which means that members of staff are able to liaise closely with the rest of the staff about pupils, and it offers a quiet, welcoming environment where pupils feel secure in their learning. Contact with parents is maintained at Parents' Receptions, by email and by telephone; reports are written every term.
