Cover artwork:

Jeremy Houghton was a master at Summer Fields until 1999. Having left the school, he then joined the art world initially as Head of Art at the International School of Cape Town. On returning to his Cotswold studio, his full time painting career began.

Over the last twenty years, he has been invited to detail the life of a number of high-profile communities, from those at Windsor Castle and Highgrove to the 150th Anniversary of the Wimbledon Championships. His work has celebrated the London Olympics, the 100th Anniversary of the RAF and the Platinum Jubilee. With each of these projects, Jeremy is interested in getting beyond public perception, documenting instead the everyday scenes that characterise an event or place. He has had solo exhibitions at some of the world's premier galleries and public spaces.

Jeremy often works from photographs and the programme cover is based upon a photograph of a Summer Fields hurdler, styled in the same manner as his portfolio of The London Olympics.

With old photographs and negatives being a strong influence on these sporting watercolours, their distinctive appearance captures the essence of the speed, movement and energy of their subject. For further information about his work or to discuss sporting commissions, please visit: www.jeremyhoughton.co.uk

Record holders & medals

The winners' medals presented throughout the League Athletics Meeting (left) are a close facsimile of medals used in the very earliest days of Summer Fields (below). These depict the Oxford Gymnasium, an institution set up by Archibald Maclaren in 1858, six years prior to his wife founding Summer Fields. The Oxford Gymnasium was later to become the Army Physical Training Corps and to this day it shares a common motto with Summer Fields: Mens sana in corpore sano. Today's medal reflects this proud heritage while also including the school's coat of arms on its reverse.

- 110m hurdler **Lawrence Clarke** (OS 1998-2003) represented Great Britain at the 2012 and 2016 Olympics. He kindly presented the winners' medals at our 2010 and 2013 League Athletics Meetings.
- **Tade Ojora** (OS 2008-2013) is our most prolific record holder. On leaving Summer Fields in 2013 he held 20 individual records, including the 200m at all five age groups; two National Prep School Athletics Championship Hurdles Records; all three Mercia Regional Athletics Championship Hurdles Records, as well as being part of the record holding School & National Prep School Athletics Championship Under 14 4x100m relay team. Today, fourteen of his School Records remain. His School, Regional and National Hurdles records stood until 2019 at which point a revision of event specifications condemned them all to the archives. Tade went on to Eton College where he broke all of Lawrence Clarke's hurdles records. He became the **British Men's 110m Hurdles Champion** in 2021, retaining the title in 2022 and 2023. He represent England in the 110m hurdles at the 2023 Commonwealth Games.
- To mark the **Summer Fields 150th Anniversary** in 2014, all Record Holders were invited to present the Winner's Medals for their respective events on Sports Day. Twenty current and former pupils were able to gather for the occasion.

League Athletics Meeting

(3.00pm – 5.40pm)

Presentations

(5.50pm, Athletics Pavilion)

The League Athletics Meeting provides a brief respite to the training for those members of the Athletics Squad who have represented the School in competition at the various meetings we attend. Summer Fields is known on the circuit for its strong, competitive athletics and in competition against up to 14 other schools the overall meeting results have never placed us outside medal positions this millennium

Records can only be gained during meetings and this season has witnessed six New School Records, with the Open Discus, Javelin and Shot records continuing to improve from meeting to meeting. Twenty-eight boys qualified to compete at the Mercia Prep Schools Regional Championships against over 900 other children (within the Under 12, Under 13 and U14 age groups). Thanks to their successes at that meeting, seven of the squad qualified to represent the region at the National Prep Schools Athletics Championships on Wednesday 3 July, although for three of the Year 8's, very sadly, their events clash with their final chapel service and prizegiving that they quite rightly want to celebrate with their friends. For the remaining competitors we wish them every success.
